## NEUTRAL FLOOR CLEANER & CONDITIONER

### DESCRIPTION

A highly concentrated, neutral pH, rinse free formula that quickly cleans and deodorizes floors and all other water washable surfaces. Proprietary blend of cleaning and conditioning agents adds rejuvenation to floor finish with buffing, extending life of floor finish. Fortified with our exclusive Sienna™ Fragrance for exceptional long lasting deodorization. It is ideal for schools, office buildings, retail stores and other areas where economical, large scale floor cleaning and deodorization is required. Using the NCL® DUAL-BLEND® Dispensing System, you enjoy precise dilutions that deliver maximum cleaning power.

### PRODUCT FEATURES / BENEFITS

- Highly concentrated so it is economical to use.
- Neutral pH is safe for use on finished floors.
- Conditions floor finish for rejuvenation with buffing.
- Deodorizes room with pleasant Sienna™ fragrance.
- Extends the life of floor finish.
- Free-rinsing formula dries streak free.
- Ideal for use in mop & bucket cleaning, automatic scrubbers and wet pick-up vacuums.
- Safe for use on any water washable surface.
- Effective in hard water conditions.

### DIRECTIONS FOR USE

**DISPENSING DIRECTIONS:** Attach DUAL-BLEND® bottle by threading the bottle onto the wall unit mating cap or DUAL-BLEND® Portable Dispensing Unit and tighten securely.

**NOTE:** The DUAL-BLEND® bottle is designed for use with the DUAL-BLEND® Wall Dispenser and the DUAL-BLEND® Portable Dispensing Unit. Dilution tips built into the product containers provide precise, accurate dilution for every product, every time, regardless of dispensing equipment chosen.

**DIRECTIONS FOR USE: For Cleaning:** Dispense Neutral Floor Cleaner & Conditioner solution from the DUAL-BLEND® Dispensing Unit at a dilution rate of 1:256 (1/2 oz per gallon) into a trigger sprayer, bucket or automatic scrubber. Use cold tap water only. Apply cleaner solution and allow to penetrate grease and soils. If needed, scrub with a stiff bristle brush. Pick up cleaning solution with mop, automatic scrubber or wet vacuum. Rinsing is not required. Allow to dry.

**For Rejuvenation:** After cleaning is complete and floor is dry, buff as required to rejuvenate the floor finish and restore gloss.

### SPECIFICATIONS

Color .....	Blue
Odor .....	Pleasant (Sienna™)
pH (Concentrate).....	6.9 ± 0.3
pH (Use Dilution).....	7.2 ± 0.3
Viscosity (cps).....	< 20
Water Solubility .....	Complete
Finish Removal.....	None
Damage to Resilient Tiles .....	None
Density (lbs/gal) .....	8.3 ± 0.1
Specific Gravity (g/cc).....	1.00 ± 0.01
Free Rinsing .....	Yes
DUAL-BLEND® Dilution Ratio .....	1:256
Case Yield .....	642.5 gal / 2570 qts
Shelf Life.....	1 year minimum in original unopened container

### SAFETY INFORMATION

**WARNING: CAUSES SERIOUS EYE IRRITATION. KEEP OUT OF THE REACH OF CHILDREN.**

**Precautionary statement**

**Prevention:** Wash thoroughly after handling. Wear eye/face protection.

**Response:** Wash hands after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

**Storage:** Store away from incompatible materials.

**Disposal:** Dispose of contents/container in accordance with local/regional/national/international regulations.

This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

All components are on the U.S. EPA TSCA Inventory List.

**Additional safety measures:**

Read the entire label and SDS before using this product, and for additional first-aid measures. SDS for this product is available on the web at [www.nclonline.com](http://www.nclonline.com)

**NOTE:** Precautions are based on concentrated product. See ready-to-use label and/or SDS for diluted RTU precautions.
